The following is in further response to the office action dated July 30, 2003.

Kindly enter the following amendment:

It is first desired to make of record a phone call received from Examiner Anne Marie M. Boehler at which an earlier filed amendment (November 27, 2003) was discussed and it was pointed out to the undersigned that the amendment had been directed to claims not of record in this case. This amendment is presented to correct this happening. As noted during the telephone discussions, applicant will rely on the arguments as presented in the response of November 27, 2003, and to that end they are incorporated herein in their entirety by reference thereto.

This opportunity is taken to thank the Examiner for all of the courtesies extended by her to the undersigned at the telephone conference.
